Dear Mr. Munter:

RE: Review of the Report on the Practices and Procedures of the Children's Hospital of Eastern Ontario in respect of the Better Outcomes Registry and Network

Pursuant to subsection 13(2) of Regulation 329/04 under the *Personal Health Information Protection Act, 2004* ("the *Act*"), the Office of the Information and Privacy Commissioner of Ontario (IPC) is responsible for reviewing the practices and procedures implemented by an organization that has been designated as a prescribed person for the purposes of subsection 39(1)(c) of the *Act*, to protect the privacy of individuals whose personal health information it receives and to protect the confidentiality of that information.

Given the practices and procedures of Children's Hospital of Eastern Ontario (CHEO), a prescribed person within the meaning of the *Act*, were last approved on October 31, 2014, the IPC was again required to review these practices and procedures and advise whether they continue to meet the requirements of the *Act* on or before October 31, 2017.

In accordance with the process set out in the *Manual for the Review and Approval of Prescribed Persons and Prescribed Entities* ("the *Manual*"), CHEO, as a prescribed person seeking the continued approval of its practices and procedures, submitted a detailed written report and sworn affidavit to the IPC. These documents were to conform to the requirements set out in the *Manual*.

The IPC has now completed its review of your report and affidavit. Based on this review, I am satisfied that CHEO continues to have in place practices and procedures that sufficiently protect the privacy of individuals whose personal health information it receives, that sufficiently maintain the confidentiality of that information and that continue to meet the requirements of the *Act*.

Accordingly, effective October 31, 2017, I am pleased to advise that the practices and procedures of CHEO, in respect of the Better Outcomes Registry and Network, continue to be approved for a further three-year period.

.../2

I would like to extend my gratitude to you and your staff for your cooperation provided during the course of the review, including your diligence and timeliness in submitting the requested documentation, in responding to requests by my office for further information, and in making the amendments requested.

Sincerely,

A handwritten signature in black ink, appearing to read 'B. Beamish', written in a cursive style.
