Step 5: Select the **BIS** portal

The screenshot displays the BORN Ontario website interface. At the top left is the BORN Ontario logo with the tagline "Better Outcomes Registry & Network" and "Registre et Réseau des Bons Résultats dès la naissance". To the right, it says "SSL VPN Service". Below the logo is a navigation bar with a "Home" button and a "Web Applications" button. The "Web Applications" button is active, showing a list of web applications. The first application in the list is "BORN Information System (BIS) Portal", which is highlighted with an orange arrow. The second application is "Midwifery Invoice System". At the top right of the interface, there is a "Browse" button and a "Logout" button. A search bar is also visible at the top left of the main content area.

Step 7: Select Reporting

The screenshot shows the BORN Ontario web portal interface. At the top left is the BORN Ontario logo. At the top right, the user name "Brookelyn Rice" is displayed. A navigation menu contains the following items: "Messaging", "Reporting" (highlighted with an orange circle), "My Profile", "Data Dictionary Search", "Help", and "Sign Out". Below the navigation menu is a "BORN Portal" header. On the left side, there is a "Quick Links" sidebar with a list of links: "Messaging", "Reporting", "My Profile", "Sign Out", "Data Dictionary Search", "Select Organization", and "Help". The main content area displays a welcome message: "Welcome Brookelyn Rice - NTQA Sonographers". Below this is an "Announcements" section with a table containing one announcement:

Title	Date Posted
Stay connected with BORN Ontario – Quick Links	4/8/2015 9:39:32 AM

Below the table is a pagination control showing "Page size: 10" and "1 items in 1 pages".

Step 8: Select Clinical Reports
